## Preferred Office Network Partners With LEXC

[Preferred Office Network](#) is excited to announce a new partnership with The League of Extraordinary Coworking Spaces, or [LEXC](#), for short. Similar to Preferred Office Network's Class A member base of independently-owned business centers, LEXC offers a unique member base for coworking centers.

LEXC accomplishes two things:

1. Provides a community for coworking centers to join that meets global standards of excellence
2. Provides hand-picked, top-notch coworking space offerings to users of coworking spaces

Through this partnership, and as work styles evolve, we are pleased to provide our client base a portfolio of the best coworking centers around

the world. Below is a listing of Preferred Office Network members that are also part of LExC.

Whether you are a seasoned coworker or in the early stages of considering a coworking model, we invite you to explore the spaces below and contact us to learn if coworking is right for you, tour a space, or get pricing details.
