Preferred Office Network Partners With LExC

ATLANTA, Ga - Preferred Office Network, the largest network of independently owned business centers of its kind in North America, has partnered with The League of Extraordinary Coworking Spaces (LExC). This partnership was born from the growing need for reputable coworking spaces amongst its corporate users as work styles continue to evolve.

LExC offers a membership platform for coworking centers to join and be part of a growing community that meets global standards of excellence. In turn, LExC provides a hand-picked network of the best centers in the world to users of coworking space.

“This partnership not only adds additional coworking centers to Preferred’s portfolio of workspace options, it gives our clients even greater confidence they are selecting business centers they can be proud to work from” said Shannon Nagel, Vice President of Sales and Operations.

Preferred members that are also LExC members include 25N Coworking (Illinois/Texas), Downtown Works (San Diego), Enterprise Coworking (Denver), IQ Office Suites (Toronto/Vancouver), TechArtista (St. Louis), The Farm (New York City), Brooklyn Creative League (Brooklyn, NY), Covo (San Francisco), and Workbar (metro-Boston area).
