Work Empowered™

Preferred Office Network is a proud sponsor of [Office Evolution's 4th Annual Franchise Convention](#), which will be held October 15-16 in Denver, CO.

Two members of the Preferred team will attend and network with Office Evolution's franchise members and will take part in a round table discussion on revenue.

Office Evolution joined Preferred Office Network in 2013 and has grown rapidly over the last 5 years to include 78 locations (open and in development) in 25 states. Their successful expansions into new markets has given Preferred's clients a wider reach of locations to choose from that not only include traditional office space options, but coworking solutions as well.

We congratulate Office Evolution on their expansion success and are excited to continue our long-standing partnership.

My Office Converting To Office Evolution

Preferred member, My Office, with four Arizona business center locations, will convert and be re-branded to Office Evolution locations between now and early 2019.

The My Office team is excited about this transition, and will begin updating and adding amenities to the centers this fall. Clients interested in any of the four locations can expect the same superior level of service and the same revolutionary Preferred Office Network benefits, including a No-Term lease agreement, one point of contact, and one consolidated invoice.

Click one of the center links below to learn more about the property, inquire about availability, and more.
